## Petroleum Geologische Kring

### ***24-27 September 2015, PGK September field trip in Denmark***

As usual, PGK organises a second field trip in early autumn. This time we will visit Denmark and during the excursion we will have a look at deep water deposits of the Late Cretaceous - Early Paleogene, spectacular cliffs composed of a Chalk Glacial Thrust complex as well as the infamous K/T Boundary.

Guides: Dr. Kresten Anderskov, Lars Stemmerik, Florian Smit (DTU)

More info and registration link will be announced soon!

### ***2-5 July 2015, Paleobiological society field trip in Denmark***

Objective: discover the geology and paleontology of the east coast of Denmark and the world famous Danish sediments from the Upper Cretaceous and Paleogene.

#### Registration needed!

For more information (fees and program) please see here or contact: pbkring@gmail.com

#### ***Welcoming new members***

We are growing by welcoming *Anouk Creusen and Roeland Roeterdink*. If no objections are received prior to or during the next meeting, they will be admitted as members of our society.

#### ***New year = new membership fees***

Please remember to renew your 2015 membership by paying the amount of €15 to the following bank account: NL14ABNA0886582733, BIC: ABNANL2A PGK, Den Haag. Please make sure to mention your "name" and "PGK fee 2015" in the subject.

Until now 65% of the members has paid the fees.
